2. If the school has given you any equipment, you shall return it to the school within **seven (7) business days** following the aforementioned cancellation date, or if after cancellation period, your last date of attendance.

3. If you fail to return this equipment in the same condition it was received, within the 7-day period, the school may retain that value of payment-and deduct the cost from any refund that may be due to you. If you fail to return equipment in good condition within 7 days of your withdrawal, the school may charge you for any fixing or new equipment fees.

4. You have the right to withdraw from school at any time. The registration fee is nonrefundable. If you withdraw before the end of the second week of the entire course, then we will refund your quarter tuition and you must return any equipment given to you in good condition, or else we will charge you for any fixtures it might need.       i. For example, if a student pays $3000 for 3 months, but has only attended the first or two weeks, we will refund the full $3000.
      ii. If a student pays $3000 for 3 months, but has only attended more than two weeks after the course/program begins, then we will refund $2000, or the last two months’ tuition.

• The institution terminates the student’s enrollment for failure to maintain satisfactory progress;
• Failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school; and
• You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed the last date of recorded attendance.

7. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed your loan. STUDENT’S RIGHT TO CANCEL

1. The student has the right to cancel the Enrollment Agreement and obtain a full refund. Students must exercise his or her right to cancel or withdraw by the end of the first week of instruction (__________). 

2. If the school has given you any equipment, you shall return it to the school within **seven (7) business days** following the aforementioned cancellation date, or if after cancellation period, your last date of attendance.

3. If you fail to return this equipment in the same condition it was received, within the 7-day period, the school may retain that value of payment-and deduct the cost from any refund that may be due to you. If you fail to return equipment in good condition within 7 days of your withdrawal, the school may charge you for any fixing or new equipment fees.

4. You have the right to withdraw from school at any time. The registration fee is nonrefundable. If you withdraw before the end of the second week of the entire course, then we will refund your quarter tuition and you must return any equipment given to you in good condition, or else we will charge you for any fixtures it might need. If you cancel anytime after the first two weeks of the entire course or program, then the school has the right to keep the current month’s tuition and refund you any remaining months in the quarter.

   a. The first two weeks of course/program: full refund
      
      i. For example, if a student pays $3000 for 3 months, but has only attended the first or two weeks, we will refund the full $3000.
      
      ii. If a student pays $3000 for 3 months, but has only attended more than two weeks after the course/program begins, then we will refund $2000, or the last two months’ tuition.

The student understands that regular attendance is the obligation of the student and that the school’s policy regarding absence and make-ups as stated in the school catalog will apply. Violation of school rules and regulations may subject the student to dismissal.

6. For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs:
   
   - The student notifies the institution of the student’s withdrawal or as of the date of the student’s withdrawal, whichever is later.
• The institution terminates the student’s enrollment for failure to maintain satisfactory progress;
• Failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school; and
• You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed the last date of recorded attendance

7. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed your loan. 8. If the student has received federal student financial aid funds, the student is entitled to a refund of the money not paid by federal student financial aid program funds

STUDENT’S RIGHT TO CANCEL

1. The student has the right to cancel the Enrollment Agreement and obtain a full refund. Students must exercise his or her right to cancel or withdraw by the end of the first week of instruction (__________).

2. If the school has given you any equipment, you shall return it to the school within seven (7) business days following the aforementioned cancellation date, or if after cancellation period, your last date of attendance.

3. If you fail to return this equipment in the same condition it was received, within the 7-day period, the school may retain that value of payment and deduct the cost from any refund that may be due to you. If you fail to return equipment in good condition within 7 days of your withdrawal, the school may charge you for any fixing or new equipment fees.

4. You have the right to withdraw from school at any time. The registration fee is nonrefundable. If you withdraw before the end of the second week of the entire course, then we will refund your quarter tuition and you must return any equipment given to you in good condition, or else we will charge you for any fixtures it might need. If you cancel anytime after the first two weeks of the entire course or program, then the school has the right to keep the current month’s tuition and refund you any remaining months in the quarter.
   a. The first two weeks of course/program: full refund
      i. For example, if a student pays $3000 for 3 months, but has only attended the first or two weeks, we will refund the full $3000.
      ii. If a student pays $3000 for 3 months, but has only attended more than two weeks after the course/program begins, then we will refund $2000, or the last two months’ tuition.

      If student attends the first month, and then the first day of the second month, then the school will charge the tuition for the first and second months.

5. The student agrees to maintain regular attendance and to abide by the rules and regulations of the school. The student understands that regular attendance is the obligation of the student and that the school’s policy regarding absence and make-ups as stated in the school catalog will apply. Violation of school rules and regulations may subject the student to dismissal.

6. For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs:
   • The student notifies the institution of the student’s withdrawal or as of the date of the student’s withdrawal, whichever is later.
• The institution terminates the student’s enrollment for failure to maintain satisfactory progress;
• Failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school; and
• You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed the last date of recorded attendance.

7. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed your loan. Any remaining amount will first be used to repay any financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.

8. If the student has received federal student financial aid funds, the student is entitled to a refund of the money not paid by federal student financial aid program funds.

9. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

2. If the school has given you any equipment, you shall return it to the school within seven (7) business days following the aforementioned cancellation date, or if after cancellation period, your last date of attendance.

3. If you fail to return this equipment in the same condition it was received, within the 7-day period, the school may retain that value of payment and deduct the cost from any refund that may be due to you. If you fail to return equipment in good condition within 7 days of your withdrawal, the school may charge you for any fixing or new equipment fees.

4. You have the right to withdraw from school at any time. The registration fee is nonrefundable. If you withdraw before the end of the second week of the entire course, then we will refund your quarter tuition and you must return any equipment given to you in good condition, or else we will charge you for any fixtures it might need. If you cancel anytime after the first two weeks of the entire course or program, then the school has the right to keep the current month’s tuition and refund you any remaining months in the quarter.
   a. The first two weeks of course/program: full refund
      i. For example, if a student pays $3000 for 3 months, but has only attended the first or two weeks, we will refund the full $3000.
      ii. If a student pays $3000 for 3 months, but has only attended more than two weeks after the course/program begins, then we will refund $2000, or the last two months’ tuition.

The student understands that regular attendance is the obligation of the student and that the school’s policy regarding absence and make-ups as stated in the school catalog will apply. Violation of school rules and regulations may subject the student to dismissal.

6. For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs:
   • The student notifies the institution of the student’s withdrawal or as of the date of the student’s withdrawal, whichever is later.
• The institution terminates the student’s enrollment for failure to maintain satisfactory progress;
• Failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school; and
• You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed the last date of recorded attendance.

7. If any portion of your tuition was paid from loan proceeds, the refund will be sent to the lender or agency that guaranteed your loan. Any remaining amount will first be used to repay any financial aid programs from which you received benefits, to the extent of benefits received. Any remaining amount will be paid to you.
